for the smarter lifestyle*

RITA

ELECTRIC INSTANT WATER HEATERS

Ferrolì's little wonder, the 'RITA' series of Electric Instant Water Heaters incorporates the latest Online Heating technology for quick and efficient delivery of hot water.

UNIQUE FEATURES OF RITA RANGE

ONLINE HEATING TECHNOLOGY

Ferrolì's online instant water heater series use online heating technology. Once the outlet is opened, you will start getting hot water continuously.

MULTIPLE POWER OPTION

Three power options are available to give you the desired temperature of hot water by selecting the position on power control selector switch. The product can also be switched OFF by rotating the selector switch to position '0'.

MULTIPOINT INSTALLATION

It is an ideal flexible solution for installation as it gives you instant and continuous hot water supply from multiple outlets with singular installation.

FLOW SENSOR SWITCH

Online instant water heater series are equipped with flow sensor switch. If there is no flow of water, the product will not be ON, thus avoiding dry heating of the heating element.

About Us

Ferrolì, the European multinational for domestic and industrial air-conditioning and water heating, was founded in 1955 by Dante Ferrolì in San Bonifacio, near Verona, in Italy. Today, six decades later, Ferrolì has 30 plants and business organisations, 6 R&D centres and operates in over 100 countries worldwide.
